From the Principal

By the time that you read this, the Year 7 students and student leaders from Year 11 will have returned from camp. They left very enthusiastically this morning and we look forward to hearing all of their stories when they return. Thanks to the parents with whom I shared a very enjoyable morning tea.

It was also very pleasant spending Sunday morning with students and parents at the working bee. It was a beautiful Warrandyte morning and the students certainly appreciated the new coat of paint on the outdoor seating. The garden looks much tidier after some weeding and mulching. The next working bee is not too far away before our Open Night. Please mark in Sunday 29 April 9.30 am – 12 pm on your calendars and come along and join us.

Often in the move to secondary schools, parents do not get the same opportunities to see around the school. Our Open Night will be held on Thursday 3 May and our current parents are most welcome to attend. There is always a school tour on Wednesdays at 9.30 and you are most welcome to come along and see the school in action. We are very proud of the learning culture of this school and would love for you to see it.

Our students will also be on display on the weekend at the Warrandyte Festival. Our senior students will be represented in the Rotary Art Show and our Symphonic Band will be performing on Saturday at 1.30 pm. Buy a sausage from our hardworking Music Support Group who have

From the Principal
By the time that you read this, the Year 7 students and student leaders from Year 11 will have returned from camp. They left very enthusiastically this morning and we look forward to hearing all of their stories when they return. Thanks to the parents with whom I shared a very enjoyable morning tea.

It was also very pleasant spending Sunday morning with students and parents at the working bee. It was a beautiful Warrandyte morning and the students certainly appreciated the new coat of paint on the outdoor seating. The garden looks much tidier after some weeding and mulching. The next working bee is not too far away before our Open Night. Please mark in Sunday 29 April 9.30 am – 12 pm on your calendars and come along and join us.

Often in the move to secondary schools, parents do not get the same opportunities to see around the school. Our Open Night will be held on Thursday 3 May and our current parents are most welcome to attend. There is always a school tour on Wednesdays at 9.30 and you are most welcome to come along and see the school in action. We are very proud of the learning culture of this school and would love for you to see it.

Our students will also be on display on the weekend at the Warrandyte Festival. Our senior students will be represented in the Rotary Art Show and our Symphonic Band will be performing on Saturday at 1.30 pm. Buy a sausage from our hardworking Music Support Group who have
done an amazing job of getting organised for their major fundraiser for the Music program. The Pet Show on Sunday is also organised by staff at Warrandyte High School.

The school has been further enhanced by some fabulous tile work that has been placed on the external walls. Thank you to Heather Ferguson-Dale and all Year 9 and 10 ceramics students from 2011 with particular reference to Bianca Bedford, Amy Silva and Jack Cromwell for this. Look out for them as you enter the school near the office and at other places around the school.

There are a lot of sport reports in this edition of Gang Gang. It is very pleasing as a Principal to have other schools comment on the fantastic behaviour of our students. Thanks to our wonderful PE and Sports staff who create additional opportunities for our students to participate and shine!

Year 8 parents will be aware that the sports’ bus clipped a traffic light as the bus turned right at an intersection. A window was broken however, no-one was hurt as luckily no-one was seated in the vicinity. We are following up with the bus company.

Congratulations to Stephen Parkin, who has been provisionally appointed to the Assistant Principal position, which commences at the beginning of Term 2. Thank you to the panel and the senior students: Morgan Thomas-Connor, Damien Main, Chantelle Roberts and Christian Orkibi who ran a parallel student panel. These students are an absolute credit to the school.

VALE JIM STYNES

As a school, we were saddened to hear about the death of Jim Stynes, founder of the REACH program. This is a really significant program for our students and we wish to acknowledge Jim’s commitment, creativity and insight.

Glennis Pitches

Principal

Working Bee

A great big thank you to our parents and students Tom Downie, Julie Downie, Alex Downie, Steve Moon, Jodie Moon, Ken Seery, Fay Theodore, Erin Theodore, Gary Foster and also the principal class Glennis Pitches and Stephen Parkin. The weather was wonderful allowing us to paint the student table and seats, mulch the garden beside the Library and Steve Moon, who physically jumped in the pond, jeans and all, to clean it out frogs and fish to move around! We finished with a BBQ that was “well cooked” by Glennis.

Our next working week is on Sunday 29 April for a cleanup of the school in readiness for Open Night on 3 May.

Rotary Camps

Each year Rotary Club of Warrandyte/Donvale give our Year 9 and 10 students an opportunity to attend fantastic camps for leadership development and personal growth.
Year 9 students are offered to attend Camp Awakening at Camp Manyung, Mt Eliza for 3 days Friday 11 May, Saturday 12 May and Sunday 13 May. This camp has been described as ‘life changing’ by past participants.

Year 10 students are offered to attend Camp RYPEN which is also held during a weekend in May.

If any students or parents would like more information please contact me on 9844 2749.

Have A Look
Currently the wall tiles our students created in Ceramics with their Teacher Heather Dale last year, are being hung up around the school and they look fantastic, Congratulations to our students, your work is outstanding.

Uniform
Our uniform supplier is FCW Fashion. They operate a uniform shop from the school premises on Tuesdays from 3-3.45pm and Thursdays from 8-9.30am. Uniforms can also be ordered online at www.fcw.com.au.

Parent Teacher Interviews
We will open up the website for you to book your interviews on Tuesday 27 March from 9am. For Year 7 parents and new parents, there are parent teacher interviews on Thursday 19th April from 2.30-5.30pm and then 6.30-8.30pm. Parents are invited to make five minute appointments with your child’s teachers.

We use an on line booking service for this.

The website is www.schoolinterviews.com.au and our event code is DHE3M

It a very easy process, Go onto the website, type in our event code and click the go button and select the teacher your require then the time for your booking.

Your child will be given their interim report on Monday 26th March. We encourage all students to come to the interviews with their parents.

If you have any problems please call the General Office for assistance on 9844 2749 after the 27 March.

Helene Butterworth
Executive Assistant

Champion Racehorse Subzero will visit our school!

Melbourne Cup winning racehorse, Subzero, is coming to Warrandyte High!

Last year’s 7.1 and 8.2 classes entered a Melbourne Cup Competition, as a part of their English class, where the winning school got a once in a lifetime opportunity to meet this very famous and popular racehorse! Thanks to them, all of this year’s Year 7 and Year 8 students and 9.2 will be participating in this visit on the 23rd April next term.
Students will hear the owner of Subzero, Graham Salisbury, who is a current Clerk of the Racecourse, speak about the racing industry and Subzero’s role as Racing Ambassador, as well as get the opportunity to meet this champion thoroughbred in the flesh. The day will be a free dress day for these students only come dressed up for Fashions on the Field! It should certainly be a day to remember!

**Nerissa Marcon**  
**English Teacher**

**LOTE News**

**Italy Tour**  
We are currently looking at taking a tour to Italy in 2013 and it all depends on students numbers. We estimate that the trip would cost approximately $4,000.00 per student for a 14 day tour.

We are now calling for interested students to register with the LOTE Department or Mrs Butterworth in the General Office.

**Ms Luana Salvitti**  
**Head of LOTE**

**Careers News**

**Year 10 Work Experience**  
A reminder that Year 10 Work Experience will take place on 25 – 29 June 2012, the last week of Term 2. If you have not yet secured a placement, then use the school holidays to get out there and source a worthwhile placement that suits your career path. Work Experience is a very helpful tool to enable students to get a taste and feel for the industry they have chosen. If you do not have a Work Experience Arrangement Form then see Ms Miller to obtain one prior to the end of Term 1. The forms need to be signed by the student, the parent and the employer then returned by 31 May 2012.

**Addition Training Sessions Available:**  
A variety of training programs are being offered by outside trainers at Warrandyte High School this year. These programs assist in students getting work experience and part time jobs as they are a compulsory component for many job applications. If students are interested in these programs they need to obtain a permission form from the office or Ms Miller. These forms need to be signed and returned with payment to secure your place in the course. Places are limited.

1. **Follow Workplace Hygiene Procedures**  
   23 April  9.00am – 1.00pm  
   Cost $60.00

2. **White Card Training**  
   10 May  9.00am-3.30pm  
   Cost $100

3. **RSA (Responsible Serving of Alcohol) Year 12 students only**  
   27 Nov  9.00am-1.00pm  
   Cost $60.00

If you would like any more information regarding the above courses please don’t hesitate to contact me. careers@warrandytehgh.vic.edu.au
This week Year 11 students will be going to Deakin University for a Uni Talk and Tour. We hope it benefits the students by looking at possible career pathways after they complete their secondary education.

Next week Year 10 will have a similar experience by going to Latrobe University, please ensure that students have their permission forms with payment into the office by Monday 26 March.

Jo Miller
Careers Leader

Warrandyte Swimming Trials
Due to the cancellation of our 2012 House Swimming Sports day due to poor weather conditions last week, a swimming trial day was held on Thursday 8th of March at Boroondara Sports Complex, to select our Inter School Swimming Team. The weather was much kinder to us and great day was had by all.

The centre management agreed to open the diving pool for a period of time and one of their staff, who has a background in dive coaching, came out to give our students some tips. One of the highlights was that some of our students, Katelyn Coutts, Holly Moulder and Josh Kennedy all took up the challenge of doing a backward dive from the one metre board. After instruction by the Boroondara staff member they all demonstrated very good examples of the dive. The change of expression on the student’s faces, from fear of diving into water you can not see to an expression of pride in achievement was a fantastic reward for all staff members and fellow students.

Later, Nathan France of Year 11, who is an elite diver, put on a display for all of us from the 3 metre board doing a one and a half sault with a twist and then to show that this was no fluke did the same dive again but backwards this time. In the pool we also had some great performances and we are all looking forward to the Divisional Swimming Carnival next Wednesday.

Sport News

Boys and Girls Volleyball
Wow a fantastic day’s play was had by all. We took an A and B team for both boys and girls. They played with pride, determination, resilience and certainly developed their level of game skills throughout the tournament. As the day panned out our teams reached 3 out of the 4 finals; with the Girls B team narrowly beaten by Kew B team, our boys B team taking Balwyn High developing smashes and hard blocks, levels of play they have not reached before. We met School to a third set but losing 15 points to 12. Our Boys A team really raised their game developing smashes and hard blocks, levels of play they have not reached before. We met Doncaster in the final after beating Balwyn, Camberwell and Kew to get there. The match was extremely tight again going to a third set.
Thanks to Miss Davies for helping out with all teams as well. We would not be able to have as many students take part without help of such staff. Well done to all players, certainly a memorable occasion as for some of you it will be your last Term 1 sports in school!

Good luck in the Term 2!

Clare Rayner
PE/Health Leader

Intermediate Volleyball
On Tuesday 6th of March Warrandyte High School competed in the District Intermediate Girls Volleyball Round Robin. We entered two teams, a Year 9 team in the “B” grade and a Year 10 team in the “A” grade competition. Both teams acquitted themselves very well in a high standard competition. Both grades were split into two pools with the Year 10 girls being placed in the toughest pool with the two teams from Kew High School (who played each other off in the Grand Final). The Year 10 girls put together some great periods of play but were unfortunately not up to the standard of either of the Kew teams. The Year 9 played some fantastic volleyball going through the day undefeated, play Box Hill in the Grand Final, defeating them two games to zero.

All of the girls should be very proud of their efforts and conduct on the day. Well done girls!

Martin Yates
Sports Leader

Intermediate Cricket
On Tuesday the 6th of March the Year 9 and 10 boys’ cricket team ventured out to Macleay’s Park, Balwyn to play against schools around the area. We were running late for our first match, due to unforeseen circumstances, but were able to play a 6 over super match. We bowled first and were set a reasonable total of 34 runs. Our opening batters started slowly and the pressure was beginning to build. Needing 5 runs off the last 2 balls, Kyle Maloney decided he only needed one and smashed a big six to take us to victory!

Next up was the big clash against Camberwell High School. The boys needed to win this game to play off in the final. Josh Barton started well with 31 runs, but didn’t have much help with Jonty Rushton going out for a cheap duck and Mitch Selleck being run out for the second innings in a row. The boys posted a modest total of 67 off 15 overs. Camberwell High proved to
be too good. One of their students – who was at least 6’7 – made 30 runs in about 5 balls and they chased our score down within 7 overs.

We then played off in a match for third spot and were victorious. The highlights were Jonty’s 26 off one over, Hayden Buyn being on a hat trick and Hayden Buyn scoring his first ever run.

After the late start and early dismal weather, it turned out to be a great day!

**Kayaking**
The Year 10 VET Sport and Recreation class were given the opportunity to partake in a kayaking excursion in Wonga Park on Friday the 9th of March.

They were taken through a skills session in the morning by three highly experienced kayak instructors: one of whom represented Australia in kayaking at the 2000 Olympic Games. The students were then asked to capsize their kayaks in the river before they were allowed to travel down through the rapids. This activity proved both fun and difficult at the same time.

We then embarked on a journey from the river at the end of Lower Homestead Road down to Witton’s Reserve. Along the way the students had to kayak through some difficult rapids. To my surprise, the majority of students passed through the rapids with ease. Only 4 or 5 students capsized and they will remain nameless! Overall, it was a great experience with a great group of students.

**Basketball**
The Year 8 boys A and B basketball teams played in a round robin competition against other local schools on Thursday the 15th of March.

The boys A team started the day strongly by only going down to a much taller team by 3 points. Tom Roberts’ late shooting helped us close the gap but his 3-point effort in the dying seconds of the match didn’t want to go in, which only signalled the boys’ luck for the remainder of the day. Unfortunately the boys didn’t win a game but they played extremely well and were just a bit outclassed by some much taller teams. Nick Wade’s 3 point shooting was a sight to see.

The Boys B team were also valiant in defeat. They played well as a team with some individual highlights such as Shamus Geraghty’s fantastic defensive skills, Louis Ritzau’s effort of quickly running up and down the court and Keagan Alfond’s 3 pointer.
Overall, the students gave it their all and had a really enjoyable day!

**Senior Boys Cricket 08/03/2012**
After being postponed due to arduous weather conditions, the senior boy’s cricket team headed to Macleay Park to take on the competition. Our team turned up to the match with no time to spare. With little to no warm up, we were sent in to bat and our lack of pre-game warm-up showed with both openers going out for a duck. There was a slight middle order resurgence from Lloyd and Damien who ended up posting a modest total which was chased down with a few overs to spare.

Warrandyte, not deterred by their first match loss came back with a vengeance, bowling out Doncaster, who previously dominated their last match, for a very respectable 76. It was up to our batters to put up and they were more than willing to meet the challenge, with Lloyd and Damien both scoring in the 20’s and Billy making 25, closing the match down with Nathan with only 3 balls remaining.

Going into our last match Billy and Nathan were sent back in to bat and Billy made a very respectable back to back 25’s, essentially making a 50. The rest of the innings was dominated by Warrandyte: Damien, Lloyd, Nik and the rest of the boys all getting to bat to produce a monstrous total of 127. Warrandyte then showed supreme sportsmanship by allowing the other team the best opportunity possible to play all their batters and get some runs on the board, ultimately winning by 74 runs.

Overall it was a very successful day and an honour to be a part of, and who knows, if we had have had the chance to warm up it could have gone down a different path…!

**Year 8 Girls Basketball 15/03/2012**
After putting in the practice throughout the term the Girls A and B basketball team were ready to show the other schools what they were made of.

The Girls A basketball team won their first match very comfortably and in true Warrandyte spirit even asked if we could let the other team score in the second half! Going into the second match confidence was very high; however we came up against some very tough competition. Excellent defence by Jordan, Tayla and Olivia and some exceptional offense by Ashleigh and Domino, we were one point up with 1.30 minutes to go. Unfortunately it was just not meant to be, with Warrandyte falling to a 1 point loss. Our third match was won quite comfortably, with Annie, Caitlin and Jenna putting a lot of points on the board.

In the end we had a play off for third place against Kew, winning once again quite comfortably with Larissa, Domino and Olivia all playing well to take home the win. Doncaster ended up winning the finals by 6 points, and with a little more luck we could have come away with the W.

The Girls B team made the best of a difficult situation, playing half court matches for the day. Throughout the day the girls tried their absolute best, unfortunately only racking up a draw from the day. However the improvement shown by Eliza, Chloe, Emma and Adele was wonderful to see, as was Hannah, who despite being injured most of the term managed to pull through and contribute to the team’s performance.
Brittany used her height to her advantage, dominating inside the key, and scoring many points for the team. Lastly was Brooke, who having quite a few basketball games in her time took on the role of team leader and was more than respectable at the helm of the team.

Whilst we were unlucky not to win a game it was truly great to see the girls out there giving it their all.

Jack Kinder
Sport Teacher

Learning & Teaching
On Wednesday, March 9, at 7.30 pm a group of around 60 students, parents and teachers participated in the launch of SCRIBBLIT 2011/12. The program opened with Jackson Price playing the classic guitar piece *Stairway to Heaven*, and with a song called The Scribblit Kids, performed by Jess Thomas-Connor, Dani Robertson and Tayla Padmore, and with ukulele accompaniment:

Well hello, we're glad to meet you
We're not as crazy as we seem
We're just a bunch of normal kids
Trying to live a dream
Cos we're the Team from Scribblit
And writing is what we do
Stories and poems and songs and stuff
And we're here to share them with you

The Principal welcomed everyone, as well as thanking the teachers who run the Scribblit program (Ms Crees, Mr Di Stefano, Ms McCrory and Mr Carozzi) and talked about the importance of individual writers discovering their own “voice”.

The bulk of the program consisted of readings by the students, after which Louise Le Nay made the official speech to launch SCRIBBLIT. Louise Le Nay is an actor – she played the role of Sandy Edwards in the TV series *Prisoner*. She is also a writer. Her credits include a novel – *The Hero* – set in World War One, and a huge number of scripts for TV programs such as *Blue Heelers, MDA, Neighbours* and many others. Louise has also been a script editor and story editor for TV drama programs.

She praised the high quality of the production – the professional look of SCRIBBLIT; spoke of the importance of writing as a way of expressing our ideas and our feelings, and praised the students for the quality of the work in SCRIBBLIT; and spoke of the three keys to happiness:

- Having people to love and who love us
- Doing things - ‘work’ or activities that gives us satisfaction
- Having something to look forward to

It was a great night. There we were, the SCRIBBLIT team … a group of teachers and students who get on together well, who each fortnight look forward to being together, and who do good things – especially writing and eating some pizza for afternoon tea. Sounds like Louise’s recipe for happiness!
Copies of SCRIBBLIT are available from the General Office at $20 a copy. SCRIBBLIT is on the booklist for all students in years 7 – 10.

The SCRIBBLIT TEAM meets every second Wednesday. The next get together will be on March 28. We would love for you to come along.

Professional Learning Leader

Student Wellbeing News
On Friday the 16th of March we celebrated the various talents of our Year 7 students with the annual Year 7 X-Factor performance. It was a wonderful event very well attended by the Year 7 and Year 11 students. The Year 11 Peer Support Student Leaders were very actively involved in the event as judges and master of ceremonies. I thank the celebrity teacher judges Judy Steel and Greg Stuart for their adjudication. Equal first was Soren with his dynamite drum and guitar solo and Erin with her rousing performance of ‘My Heart Will Go On’. In third place were Andrea and Holleigh who performed a very synchronised instrumental duet. Well done to all the students and staff involved.

On Thursday the 15th of March we held our inaugural wellbeing conference for Year 11 students; The Start-Me-Up conference. The students learnt some very valuable tips on study skills in order to maximise their marks. It was great to see so many students enjoy themselves with the team building activities and congratulations to Mr Di Stephano’s English class who won the Team Challenge.

Thursday the 15th was a very busy day. We launched the Year 7 Active Learning Project for Term 1: About ME. The students were engaged and very attentive throughout the introduction. They will commence their project on Thursday 22 and Friday 23 of March after camp and it involves the students selecting their own presentation format around the theme: past, present and future me. We look forward to viewing their final products.

On Wednesday the 21st of March all Year 9 students will participate in some specially designed sessions about sexual health education. They will cover topics related to consent, contraception and sexually transmitted diseases. We are lucky enough to have a lawyer, Belinda Lo, and our wonderful Youth Worker, Kate Wilde, coming in to present to the students.

The School Focused Youth Services (Girlosophy) program is really working well this term. Our 16 lovely young female student leaders have been working with Kate Wilde to develop some workshops for Year 6 students at Warranwood Primary School. On Thursday 22 March we have a representative from The Body Shop coming to the school to provide a workshop for the girls.

Natalie Manser
Wellbeing Leader

Music
With the Warrandyte Festival quickly approaching, the music program has kicked off to an exciting and thriving start. Most of our Instrumental students have continued on their instrument this year with an impressive number of students taking on a second instrument. two new Year 10 music elective students have began taking formal instrumental lessons in preparation for
VCE music next year. All in all we have 35 new instrumental music students this year, twice as many new enrolments compared with last year.

Recruitment night proved to be very informative and demonstrated the team spirit between the Music Support Group and Instrumental Music Staff and student leaders who all worked together to advocate the program and demonstrate the instruments. Special thank you to Jason Price, president of our MSG and Julia Lewis and Mark Johnston, our music captains.

A warm welcome is due to our new brass teacher, Mr Andrew Darling and our new percussion teacher Mr Josh Licht. Both are professional musicians and come highly recommended.

Our Year 10 Elective classroom music students will be running a practice recital at the end of term before their end of semester assessment. They have been using the digital recording suite to monitor their progress and next term will begin arranging on our new iMac suites; all funded by the tenacious efforts of the Music Support Group (parents of our music students).

The Warrandyte Festival is this weekend. This is MSG's main annual fund raiser where they work together and run a sausage sizzle. Our MSG still need extra volunteers to supervise and run the sizzle. Please, if you haven't yet, put your hand up and join the music program family please join MSG..

Program for Student Gamemakers – entries now open

Do you have creative talent and a passion for games? Are you a Victorian student in Year 10 to 12? Apply now for the ACMI Hothouse; where creativity and skills are cultivated.

The very first ACMI Hothouse focuses on creative game development. If selected, you will spend the first week of the July school holidays working together in a fast paced creative ‘game studio’ to create a computer game prototype. You will develop your talents through hands-on experience with leading international and Australian game makers. You will meet visiting international gamemakers associated with ACMI’s new Game Masters exhibition, learn about career pathways and produce folio content.

How to apply: Visit http://www.acmi.net.au/hothouse.aspx to register and download the application pack. The application includes an original game idea and a ‘to camera’ pitch so get started NOW! Previous game making experience is not essential.

Does it cost anything? No! The Hothouse is free, though limited to applicants who are selected. Application is also free.

Applications Close Fri 18 May 2012

This is an initiative of the Victorian government and ACMI (The Australian Centre for the Moving Image).

See Ms Bloom for more details or help with your application.

Extended-range electric vehicle (EREV)

The Holden Volt uses a revolutionary Volt electric drive system which delivers up to 600km of driving. The Volt can drive for up to 80km on pure electricity using the advanced lithium-ion battery, and when the charge runs low a 1.4-litre petrol generator kicks in to recharge the battery and extend the range by hundreds of kilometres.

Plus much more in sustainable living: See-Ask-Learn from the experts!
Exhibitors of sustainable living products and services for the home and business.
