From the Principal

Everyone on the email distribution list for Gang Gang will have received a very excited email from me saying that we have been successful in securing substantial funding for facilities’ work. We will easily find ways of spending the additional $500,000+ this year! This is a result of an audit that was carried out by the Department of Education and Early Childhood Development and they have targeted particular areas that will be addressed.

There have been a number of really exciting developments elsewhere in the school as well. Firstly, the Year 11 students who study Year 12 Interactive Digital Media have been awarded a silver medal in a Global Virtual Classroom Project. They commenced the project of developing a web page with students in a rural school in the USA and an urban school in London last year. This is a fantastic achievement as they had to problem-solve a range of challenges – time, cultural and communication. Congratulations to Claire Bloom and her dedicated team of students.

This year’s film for the national Eureka Science competition has been finalised and we look forward to its premiere and hopefully, the announcement that it has won! After coming third and then second in the last two years, we think that 2012 is our year! Thanks to the amazing Dave Davies who has managed to nearly complete one whole year of coming to school as a volunteer, five days a week! We love having his incredible expertise in all things in the school – particularly his Science knowledge.

Our Open Night was also a wonderful achievement. It was such a pleasure to work with the 50 students who volunteered to be here on the night because they wanted to help and they wanted
to share their pride in the school. They were bright, bubbly and eager to get involved. Many students stayed after school as it was too far to go home and then return before the evening started. This meant that students and staff shared a light meal together in the staffroom. It was a privilege to be a part of that. These students will be formally recognised at the next Principal’s Assembly.

Likewise the Athletics Day was a celebration of ‘personal bests’, participation and fun. Thank you to all the students and staff who made it such a great day. Once again, school spirit was tangible. This is what every teacher says when they return from a sports program. The behaviour of the students is exemplary and teachers are happy to take sports teams to competitions.

It has been very revealing talking to the Taking the Challenge teachers of Year 9. Students at this year level have commenced their city program. This year students are making their way into the city and meeting their teachers. All of the activities – whether individual or team - are focussed on learning about their environment. What is very clear when talking to their teachers, is how well they know the interests of their students! In one activity, students were sent in different directions to research aspects of the city which interested them – to specialised book shops, record shops and community organisations. Every one of the hundred students were where they should be and on time!

This week, Year 9 students will be at school however, because of NAPLAN testing. This takes place for Years 7 and 9 on Tuesday, Wednesday and Thursday this week.

Last Friday night, I had the opportunity to attend the Year 11 Theatre Studies production of *Little Red*. Recently Hollywood has taken a lot of interest in fairy tales and the Year 11 students created their own version of Little Red Riding Hood. Devising a script in a team is actually a very difficult job and they did wonderfully as an ensemble cast. I am sure that the audience could recognise the conflict between a parent who wanted to protect their child and the adolescent who wanted to stretch her wings! The cast were courageous and confident. It was brilliant to see so many of their fellow Year 11 students in the audience. When I asked them who they had come to see in particular, they responded that they were there to support the whole of their year level.

Eight students in Year 10 are about to commence an 8 week program that has been created through the partnership of Warrandyte High School, The Pines Learning Centre and the Gateway Local Learning Employment Network. This is a fantastic opportunity for students in Year 10 to concentrate on their work readiness, explore career pathways and try some TAFE courses. Thank you to the Gateway LLEN for their funding of this project and the staff at The Pines Learning Centre for their innovative program design.

A number of students recently completed their ‘White Card’ training, which is essential if you are going to work on a building site. Thanks to Jo Miller, the Careers Advisor, who organised for the external provider to do this course onsite with the interested students. She got very positive feedback from the presenter who said that the students were outstanding.

*Glennis Pitches*

*Principal*

Gang Gang
Uniform
Our uniform supplier is fcw fashion. They operate a uniform shop from the school premises on Tuesdays from 3-3.45pm and Thursdays from 8-9.30am. Uniforms can also be ordered online at www.fcw.com.au.

Rotary Camp Awakening
Once again we were lucky enough to be able to send three students to attend Camp Awakening for three days thanks to Rotary Club of Warrandyte/Donvale. This year the weather was not that nice but it didn’t make any difference to the great experience our students had.

Thoughts from the students:
“Thank you Rotary for giving us the opportunity to go on Camp Awakenings. It was probably one of the best experiences of my life. It felt like we were there a lot longer than three days, I have changed so much in such a short space of time! They taught me so many things that really have stuck in my head. It was an emotional few days, whether it was climbing the vertical rope challenge or breaking down emotional barriers and working through them. Making new friends and sharing things I never thought I would, helped me build my confidence, I feel like I have become a better person since the camp, as I am a lot more positive”.

“Thank you so much for such an amazing camp. I had so much fun. I really enjoyed going on the giant swing for the first time and I really enjoyed meeting new people. This camp has made me look at life very differently. I learnt so much in the three days we spent there. I wish we could have stayed for longer! I loved hearing the leaders stories. I thought that was really brave of them all. I found the relaxation session really hard, Micky was really funny along with the other leaders. I was in the orange team and my leaders were Candy and Teagan. They were so nice. I enjoyed the games we played outside and all the dancing. I wish we could go again”.

“Thank you Rotary for sponsoring me to attend the camp. The camp was great! It was a big life changing part of my life. It was awesome and the best opportunity I have ever had. The camp site itself was just amazing along with the people who lead the camp. I had so much fun and wish I could do it again”.

Gang Gang
**Bendigo Bank Driving**

Warrandyte Community Bank, Bendigo Bank sponsored students to participate in a two day intensive driving program. We had three students participate. Their day started in the classroom with instructor Paul from DECA, then it was out on the road. Thank you to all involved in getting this program off the ground, I think we can describe this program as life saving.

From the Students:

“Thank you for the opportunity to further of experience in the skills of defensive driving. We began our voyage around the Warrandyte/Doncaster area, learning about the basics to ready ourselves for the following day, which consisted of merging lanes, dealing with different types of traffic and sometimes doing accidental laps of the roundabout!

On the second day we ventured out even further, exploring the M1 Freeway, East Link and other main roads to Rye. On the way back we squeezed in some reverse parking which was really beneficial. We also discovered more about ABS. We had to go fast then slam on the brakes which was interesting! It was awesome”.

**Open Night 2012**

Despite the weather Warrandyte High School had a wonderful Open night. Thank you to all our teachers for creating such great displays. Thank you to our fantastic students **Year 12** - Christian Fakhri, Amy Vanderharst, Siobhan Bubner, Julia Gillard, Morgan Thomas-Connor, Damien Main, Christian Orkibi, Sean Warren **Year 11** - Terissa Fidock, **Year 10** - Danielle Robertson, Jacintha Abandowitz-Lee, Brita Kalejs, Stephen Milne, Cameron Horsfield **Year 9** - Holly Mulder, Maggie Elvin, **Year 8** - Emma Brown, Adele Brown, Jeremy Alford, Keagan Alford, Katelyn Coutts, Tylar Findlay, Mel Milne, Chloe Williams, Bree Gedye, Marcus Frost, Stefan Walder, Caitlin Khaw **Year 7** - Eilish Kelly, Rhiannon Elliott, Holleigh Mann, Amy Wayland, Lydia Phelan, Andrea Fidock, Georgia Siddall, Lochlan Pinder, James Puls-Welsh!

**Warrandyte Lions**

The Lions Club of Warrandyte would like to start up a Young Lions Club. Current President Geoff Taylor has forwarded this letter to us to pass on to students of Year 10:

Belonging to a community service organisation like Lions, has given me an opportunity to make a positive difference in my community. I believe that young people would also benefit from a vehicle through which their concern for the welfare of others could be expressed. By forming a young Lions club, we can work together to improve our community by identifying and assisting, needy citizens of all ages.
A student based Lions club is a meaningful way to become involved in service to mainly local, but sometimes national and overseas communities when disasters strike. Lions is an international network. There are currently 150,000 young people in 5,000 clubs around the world. All these clubs are places of enjoyment and growth. They provide experiences and training in leadership and organisation which equip students with valuable skills and knowledge for later life. They operate in a manner which promotes fun and friendship. They are sponsored by a local senior Lions club which provides a person to provide guidance, resources and funds, whenever they are required. The directions, priorities and leaders of young Lions are provided by students. Activities of the club, whether social or business oriented, are decided democratically at regular, (say monthly) get-togethers.

If you would like to assist in the creation of a young Lions club at Warrandyte, please see Mrs Butterworth in the General Office. I will then contact you with details of the first meeting.

Regards Geoff Taylor

Helene Butterworth
Executive Assistant

Italy Tour 2013: Essential Parent meeting - Tuesday 29 May at 7.30 pm

We had a fantastic response to our initial call for expressions of interest for our Italy Tour 2013. There will be a meeting of all interested students at lunchtime on Friday 18 May and then an essential meeting on Tuesday 29 May at 7.30 pm for parents and students. At this meeting, you will be given a detailed itinerary and an outline of the cost.

The itinerary is a fantastic mix of cities, countryside, organised tours and free time, language practice and cultural awareness. A representative from the travel company will be at the meeting to answer any questions. Please pencil this meeting into your diaries.

If you did not put in an earlier expression of interest, you are still most welcome to attend. It is not too late! The tour is open to students from Years 7-12 and the planning is that the tour will take place from Saturday 14 – Saturday 28 September 2013 (last week of Term 3 and first week of holidays).

A call for a deposit of $700 will be made for Tuesday 12 June 2012. It will be first in, first served. There are limited places, after which, students will be placed on a waiting list.

Antonella Bitta and Helene Butterworth
Italy Tour Organisers 2013

Careers News

YEAR 12 TIS:

On Thursday 24 May the Year 12 students will visit Latrobe University for the TIS event (Tertiary Information Session). For students wanting to go on with further studies next year, the information will be valuable. A range of information will be covered regarding applying to university or TAFE, the VTAC guide and making the right choices for themselves. I encourage all Year 12 students to attend this excursion and return permission slips as soon as possible. If any parents or students have any questions regarding this event please contact me on 9844-2749.
WHITE CARD TRAINING:
On Thursday 10 May a group of students participated in the White Card Training program ran by an external provider MEGT. The students all did very well with great input and stories for the trainer. Carlie Hanlon from MEGT commented that this was the best group she has taken and would be happy to come back to Warrandyte. Congratulations to Tarin McBride, Nathan McKinley, Max Mavros, Wade Hall, Gage Newman, Joshua Anderson, Stephen Fuhrer and Jacob Benn who represented our school with great maturity and respect for Carlie and for passing your exam. White Card allows the holders to work on building sites and is a nationally recognized certificate.

UNDERGRADUATE MEDICINE AND HEALTH SCIENCES ADMISSION TEST (UMAT) – Year 12 Students
Students thinking about going on to study medicine need to sit a UMAT test. Registrations are now open (www.umat.acer.edu.au) and close 5pm (AEST) on 1 June. The test date is 25 July; UMAT is part of the selection process for Monash University medicine and physiotherapy (and for many interstate degrees). Please do not miss this registration date. If you want to do medicine, you must do this test. If you need any further information please contact me.

Jo Miller
Careers Leader

Sport News
Our annual School Athletics sports were held on Monday 7 May. The weather gods smiled upon us giving a fine day to allow students and staff to enjoy the day. I would like to complement the students on their behaviour and involvement, whether they were competing or cheering on their friends. The highlight performances are listed below.

Final points
Newman – 1274
Michel – 1261
Stiggant – 960
Anderson – 820

House Champions
Taylor Padfield – Michel
Damien Main – Newman
Jessie Thomas Connor – Stiggant
James Puls Welsh – Anderson

Best dressed
Terissa Fidock – Wonder Woman
Jocelyn Barker – Red Fairy lady bug
Glyn Telford & Jack Cromwell – Mario Brothers
Natalie Walker – Cookie Monster
Georgia Brown – Angry Bird
Brock Sutton – Flash
Daniel Puls Welsh – Pyjama boy
New Records
Rachel Northover – 17 year old discus
Belinda Cannington – 20 year old vortex
Cooper Goodman – 13 year old vortex
Taylor Padfield – 15 year old triple jump

Senior Girls Football
The girls had a very busy day. Our team was made up of Year 10 and Year 12 students. They had been working hard in the few weeks leading up to it and then we were hit by injuries! Unfortunately we attended our competition with only 17 players, one less on the pitch and no substitutes. The girls had a difficult pool with their first game against Canterbury Girls (the eventual winners). They lost by 3 goals but put up a massive effort. We continued to battle in our next game against Kew and despite further injuries and two players having to leave the pitch, taking us to 15, we won the game by 1 point. Certainly a well deserved win! We finished second in the pool and progressed to the 3rd/4th play off. By now legs and bodies were exhausted; we had no substitutes, injuries and just could not match the Camberwell opposition. Well done girls for your great effort and determination throughout the day. Just like our normal Warrandyte style you never gave up, certainly progressed throughout the day and came together as a team. Fantastic! I would also like to thank our boys support crew for the day: Jason Kreskus, Tom Gamble, Jason Chandler and Matt Milne. Without people like these it would have made it very difficult to manage. Thanks to all.

Senior Boys Rugby - ARL Cup
Well done to the boys’ team as they played two massive matches in the competition. Once again they fought hard against some big players and certainly demonstrated their fitness, heart and pride in their play. One of the biggest and best teams in the competition was Dandenong. Our boys scored the first try, but unfortunately lost the game. In their second game they faced Box Hill and once again put up a very good performance narrowly losing. Well done boys! I would like to thank you for your commitment and hard work. I would also like to thank Mr Ferguson for stepping in and taking them on competition day as I was away on the VET REC camp. These days would not be able to go ahead without helpful, willing staff. Well done Warrandyte!

Intermediate Rugby Incursions
As you are aware the NRL Development coaches are working in our PE classes at the moment as we lead to the intermediate competition days. The cost of the sessions is $2. Please could you make sure your child makes their payment as soon as possible.
Year 8 Gymnastics Excursion to Manningham Disc
All the Year 8 students should have brought home their letter and excursion forms for this excursion. We have managed to organise three sessions to enrich their gymnastic skills in an Olympic standard environment. They will be working with excellent coaches and using a whole range of gymnastic apparatus. Again we will not be able to run the excursion without everyone making their payments. Please can you ensure your child returns their payment and excursion form to the office as soon as possible. If you need further information please contact me during school hours. Thanks

Clare Rayner
PE/Health Leader

Senior Boys Football
On Tuesday 8 May, the senior boys football team travelled to Templestowe Football Ground to face off against other schools around the area. The boys needed to win their first two games in pool A to advance to the final against the winner of pool B. We had found out that our second match was going to be against a 13-manned Doncaster Secondary College team. Therefore, we needed to give our all and leave nothing behind in our first match.

We were up against a rather large Balwyn High School team which mostly consisted of Year 12 students. This did not faze our all-Year 11 team and they put in a valiant effort. Riley Griffiths and Michael Holloway were fantastic in defence, constantly repelling Balwyn’s attacks. In the midfield Rory Kavanagh and David Baynon were winning contest after contest, and Nathan Fraser was deadly in attack. His goal just before the half time siren put us up by 1 point. The boys knew their kicking accuracy had to be greatly improved if we were going to win.

After the break we came out very hard and had numerous attempts at goal. Unfortunately, we could not convert when we had the chance and Balwyn kicked a few late goals to snatch the victory. The scores finished: Warrandyte 3.10.28 to Balwyn 5.5.35.

We went on to win our last games quite convincingly. A major highlight was Billy Sunjo kicking a very difficult goal off the ground, then five minutes later taking a mark and missing from 15m out straight in front!

The boys had a great day, but unfortunately couldn’t come home with the goods.

VET REC Surf Camp
The Year 10 VET Sport and Recreation class were given the chance to participate in a two-day surf camp at Phillip Island, from May 10 to 11. We stayed at the Phillip Island Discovery Camp which catered perfectly to our needs as was only a short walk away from the beach.

On the first day the students were given a surfing lesson on the land and had about an hour to hit the waves. The conditions were quite harsh and the tide was really high which made it difficult for the students. But to their credit they tried very hard.
In the afternoon, the students were engaged in an ‘Open Water’ lesson from a qualified lifeguard. They learnt about all of the dangers associated with the beach and how different recreational items (such as rope, a football and cricket stumps) can be useful if their friends were to be placed in a risky situation in the water. Also, they were given an introduction to administering first aid, which will come in handy when they complete their Level 2 first aid course this Friday. They worked really well throughout this session.

At night time, we went down to the local bowling alley and spent hours playing pool, table tennis, arcade games and ten pin bowling. This was a lot of fun and Jonty Rushton was the only student to beat Mrs. Rayner and my scores.

The next morning we were given 2 hours to have a red hot go at surfing and body-boarding. The conditions were a lot better this time and every student was able to stand up and ride the waves. The student’s enthusiasm and Y.O.L.O attitude were amazing to see.

They are an exceptional group of students and their involvement in every activity throughout the camp was fantastic. The only negative from this camp was that it only lasted two days.

Student Wellbeing News

Girlosophy

The Girlosophy student leaders have been working hard to finalise their lessons for the Warranwood Grade 6 girls. We all had an informative session with Stephanie, a counsellor from ‘Reconnexion’, a community-based agency providing services and support for anxiety, depression and stress problems. The girls were wonderfully supportive and respectful of each other and valued the information shared by Stephanie.

The Year 9 REACH Grounded Program

During Term 1 and 2 a number of our Year 9 students have ventured out to the DREAM FACTORY in Collingwood the home of the REACH Foundation to participate in the Grounded Program. Holly and Sasha were among the lucky students involved in this unique and powerful program. They offered to share their thoughts with the rest of us.

By Sarah and Holly Year 9

“The Reach Program was inspirational. It opened my eyes about what happens in other people’s homes. We worry about the little things in life but other have to deal with big issues every single day. Some of the students from other schools talked about serious issue in their lives like, their sexuality, coping with disabilities, family abuse, drug abuse, separated families, violence and death. It made us realise that you have to look at the positives in life, there is always someone there for you and don’t give up. It was really worthwhile.”

The Allsorts

I am very pleased to announce the formation of a first at Warrandyte High School. The Allsorts is a support group for same-sex attracted young people. Our group meets every Friday at lunchtime to discuss how we can increase awareness in our school community about issues affecting same-sex attracted and gender questioning young people and how we might challenge homophobic behaviour and language. It is wonderful to work with such a committed and motivated group of students.

The Year 10 Talk it Up With 10 Conference

Each year we run a conference for all Year 10 students that include workshops about issues such as mental health, sexual health, legal rights and drug and alcohol issues. We always finish the session with a Hip-Hop and Beat-box performance and workshop by Katumbah Productions. It is a great day and I thought it wise to give plenty of notice to parents and students that it will be on Friday 3 August.

Cheryl Hart
Canteen Leader
Parent Association

My name is Robyn Wallace and I have recently been appointed President of the Parents Association, here at Warrandyte High School.

The new treasurer, Alicia Eldridge, among her many duties, greeted the Year 7 parents at the start of the school year on behalf of the Parents Association and is also overseeing the Trivia Night.

Our new minutes’ secretary is Claire Gardiner. Claire is also assisting Alicia with the Trivia Night.

Judy Finger was the previous President and will remain on the committee until the end of the year. Judy has been heavily involved with the committee for many years and has always been prepared to take on any duties needed to assist the school.

We would like to thank Judy, greatly, for all that she has done during her time as President of the committee, and for any future involvement she may have in the school.

Some of you may be wondering what events the Parents Association conducts here at Warrandyte High School. Among other things we run events such as the secondhand book sale, the Trivia night and are currently looking to hold a Presentation Ball in 2014 for the Years 11 and 12 students.

A great way to be involved in the school is to attend the Parents Association meetings, which we encourage everyone to do, and we are always open to new ideas for events which can assist the school.

Should you have any queries regarding the Parents Association, its meetings, or events, please do not hesitate to contact the school office, as we would love to have you involved.

Many of you will have noticed the new carpet in the “C” block corridor. Parent Association proudly contributed to the purchase of the carpet so that our children can have clean, smart facilities.

The first big event is the Trivia Night which is on 2 June at Warrandyte Primary School. Come along! You can buy tickets at the office for $20 each.

Parents Victoria Online Conference

Parents and other interested participants are warmly invited to take part in the sixth annual online conference to be held by Parents Victoria. The conference will be held non-stop on the internet during Education Week, commencing at 6.00 a.m. on Sunday 20 May, with discussion topics including:

- Celebrating Public Education
- Travel to School
- Multiculturalism
- Curriculum
- Bullying
- Mental Health
- School Payments and Funding

There is also the opportunity to comment on other Education issues that may concern you.

No special software is needed just an internet-connected computer and a browser. The online discussions are very easy to join in, and guidelines about how to participate are provided. There are prizes for schools for participation.

The conference is proudly sponsored by the Department of Education and Early Childhood Development

For further information, email: office@parentsvictoria.asn.au

Telephone (03) 9380 2158 or visit: [www.parentsvictoria.asn.au](http://www.parentsvictoria.asn.au)
'Made On the Hill'

Part of the 'On the Hill' Panton Hill community festival - Sunday 28 October

We have a great fun theme for this year!!

...Fowl Stuff 🐔

Every item entered must relate to this theme in one way or another

Now is the time to start planning your entry exhibit

There are great prizes for each section

Entries will be classified as either adult - primary school age - or secondary school age

Anyone from Panton Hill or the surrounding district or anyone with connections to Panton Hill may enter and entries must be hand made by the competitor within the year 2012

_entries will be accepted from these categories

- Crafts
- Writing
- Baking and Preserves
- Home grown Fresh Produce

E.g. eggs, veggies, fruit, flowers (sorry no livestock!)

A word of caution... Fowl play and stuff is happily accepted - no foul play or stuff will be tolerated unless it is skilfully designed to delight the viewers or amuse, enlighten or financially reward the judges without detection of the prim and proper propitious punters of Panton Hill.........!!!!!!

Details for registration process, timing and prizes will be available by August 1st 2012.

Further information can be obtained from Living & Learning Nillumbik Panton Hill 9433 3799 or email living.learning@nillumbik.vic.gov.au
What impact does graffiti have on your child, your family and your community?

These questions and others are explored in a creative, education presentation themed “BAG THE TAG!” and focuses on preventing youth from travelling down the graffiti path.

Manningham City Council recently secured a Community Crime Prevention state grant, through the Department of Justice Graffiti Grants Program, to deliver a preventative anti-graffiti program to Secondary schools in Manningham.

The program is designed to enhance Council’s existing Graffiti Minimization Strategy in the area of prevention, and will be delivered by Warner Awareness Education to year 7 and 8 students.

Highly engaging and entertaining the program is designed to prevent youth from undertaking a range of anti-social behaviours with a focus on tagging, and provides them with essential life skills.

The developed approach involves an interactive, entertaining presentation with the aim of involving your child in thinking about and discovering the impacts of graffiti, in particular tagging, with a focus on the criminal aspects. (It is illegal when a person damages or defaces private and public places without the property owner’s permission).

The delivery combines acting, role play and facilitation to guide and involve the students in social development topics like self respect, positive decision making and responsible action.

HOW CAN YOU HELP?

1. Talk to your child about respecting other people’s property and the issues surrounding property damage. The success of this type of program is enhanced when it is reinforced at home.
   Discuss the Graffiti Prevention Act that covers graffiti specific offences & penalties, e.g:
   - Marking property without owner’s consent: 
     Jail term of up to 2 years and fine of up to $28,037.
   - Possessing a graffiti implement while on or near public transport property: 
     Carries a fine of up to $2,921 or an on the spot fine of up to $584.

2. Seek further information by visiting these websites:
   - For entertainment, events, information and support log on to Manningham YMCA: www.mys.ymca.org.au
