**From the Principal**

**REMINDER: REPORT WRITING DAY ON FRIDAY 15 JUNE.**

**NO STUDENTS REQUIRED**

Thank you to the Parent Association for a wonderful Trivia Night. It was great fun and all for a very worthy cause. The Parent Association achieved their aim of buying a defibrillator, which is an excellent addition to our first aid equipment and as well, have significantly contributed to the cost of the new carpet in C block. This in turn means that school resources can be used on other projects around the school.

I observed a *Quicksmart* lesson on Tuesday. *Quicksmart* is a Maths intervention program which is designed to fill in some gaps in Maths skills for students in Year 8. It was designed by the University of New England. Students involved in the program are having wonderful success and I really valued the chance to see their graphs and tables outlining how much they had achieved.
Lina Pandeli has indicated that she will not be returning from leave next semester. Lina has made a fantastic contribution to the school and state education as a Maths and Chemistry teacher and we wish her all the best for the next phase.

**Breaking News!**
Great news! We have received a $50,000 grant for a submission that we wrote some time ago for a Centre for Creativity in Digital Media. Below is an explanation of what this actually means!

Warrandyte High School aims to provide increased specialism in creativity and ICT skills through the provision of a Centre for Creativity in Digital Media. A digital studio and multiple video and audio editing suites will benefit both the students who will follow the enhanced curriculum pathway, and students in general, who will have opportunities to be immersed in this specialism in mainstream classes.

Students in Year 10 who choose to accelerate and specialise in Digital Media would have access to a state of the art facilities. This project builds on the school’s strengths in The Arts and Design Technology. Currently in senior years, a disproportionately high number of students choose Studio Arts, Interactive Digital Media, Design Technology and Theatre Studies. This is an opportunity to combine a range of these subjects into a clearly defined pathway.

Through their choice of subjects, students are reinforcing what a range of expert voices are saying: creativity is an essential skill in the 21st century and that ICT is a crucial tool in that development. Something fundamental is happening in the way that students record and ‘process’ the world.

Other students would have access to facilities in their mainstream classes as ICT is embraced as a learning tool. As a community, Warrandyte has a strong tradition of creativity and the Arts. It is the school’s role to broaden this definition of creativity and become a Lighthouse School in this area. While a Digital Studio would certainly enhance students’ skills in the Arts, the greatest area of potential is actually in other areas of the curriculum. Already, there are signs that this is happening: Premier’s Awards, VCE Top Designs, VET Awards, film award at National Eureka Awards (2011) and students’ tertiary pathways.

More information forthcoming soon!

*Glennis Pitches*
*Principal*

**Uniform**
Our uniform supplier is **fcw fashion**. They operate a uniform shop from the school premises on Tuesdays from 3-3.45pm and Thursdays from 8-9.30am. Uniforms can also be ordered online at [www.fcw.com.au](http://www.fcw.com.au).

*Helene Butterworth*
*Executive Assistant*
We are off to Italy!
It is with great excitement that I can announce that the Warrandyte High School trip to Italy in September 2013 is going ahead.

Antonella Bitta, Helene Butterworth
Tour organisers

Careers News
Year 10:
Work Experience is in full swing, students have a variety of arrangements organised such as Healesville Sanctuary, Knox Hospital, Mt Bulla Ski Lifts and various hospitality and administrative Institutions. The students have been given an information package with a list of tasks that need to be performed prior to going to their placement. The most important task is to call the employer prior to commencement and confirm dates and times. Work Experience is a valued part of the curriculum, it involves the students being in a work place environment, building knowledge on the work type and this knowledge will help them decide if the particular career is something they would pursue.

Experience Days at University:
A reminder to all about the Experience days at Latrobe and RMIT are available in the school holidays, these are a great opportunity to have a University Experience and get an idea about particular courses that you may like to pursue after your VCE. Brochures can be collected from my office or check out the websites. Latrobe.edu.au/experience or Rmit.edu.au and search for experience days. (It’s at the bottom of the page.).

Term 3:
Information nights for course selection and what is available for students in their next year at Warrandyte High School are:

- Year 9 Parent Information Evening - Mon 16 July at 7.30pm
- Year 10 Parent VCE Info Evening - Mon 30 July at 7.30pm

Sport News
Senior Boys College Champs Basketball
On Tuesday 29 May Warrandyte High School competed in the Senior Boys College Champs qualifying rounds at Nunawading Basketball Stadium. From the start of the day our boys were set a huge task with three of the squad of nine players not arriving by 8:30 am when the bus had to depart so we were down to a team of six to play a full day of games.

We started off strongly with a win in our first game, Warrandyte 23 to Keysborough 13. Our second game was against a high quality team from Box Hill Senior Secondary (who are a specialist sporting school and one of their sports is basketball) and we were able to push right to the last few minutes of the game, finally going down 27 to 39.

In our third game we were right up against it, with our star player of the first two games, Jack Cousens, reinjuring an ankle injury he came into the tournament with early in the second quarter. This left us with no players on the bench but the remaining team members lifted to keep us in the game. Unfortunately with one minute and thirty seconds left in the first half Emerson
Longfield received his fifth foul for the game which meant he could take no further part in the match. Specialist Coach Dave Davies took a calculated risk, deciding not to risk putting the injured Jack Cousens back on the court (hoping Box Senior Secondary would continue to win) and we played the remainder of the first and the entire second half with four players on the court. The four boys (Michael Holloway, Jack Orange, Brock Sutton and Mason Webb) lifted their work rates and had Woodleigh (a private secondary school from the Mornington Peninsular) all wondering if they were going to go down to a team of four players. Warrandyte narrowly lost that game 15 to 17 but it was good enough (with the domination of Box Hill Senior) to allow us to finish third which meant we would meet Woodleigh again in the semi final.

For the semi final, Coach Davies set a defensive plan that involved part of the team playing a zone defence and the other playing man on man. In attack he brought Jack Cousens back on basically as a specialist 3 point shooter who wouldn’t be required to move very much (Jack is normally a hard running guard). The game plan worked beautifully with Warrandyte winning the game right on full time 26 to 25. This gained us a place in the Grand Final against Box Hill Senior. The boys again played their hearts out but ran out of legs late in the second half going down 26 to 34.

I would like to thank Dave Davies for volunteering to give Warrandyte High School the benefit of his vast experience both in the sporting field and in the classroom since his retirement from teaching last year. We are very fortunate indeed to still have his most valuable input to our school. I would also like to congratulate the six boys who played on the day (all other teams a squad of at least ten) not only on their playing performance but on how they conducted themselves on the day. You really exemplify what is best about our students at Warrandyte High School. Well done Jack, Emerson, Jack, Michael, Brock and Mason.

Cross Country
Congratulations to all the students who participated in the recent district cross country held at Macleay Park in North Balwyn. Conditions were not ideal, in fact they were absolutely freezing, but some fantastic results were achieved. Well done to Cooper Goodman ,8th (Under 13), Ryan Seini 16th (Under 13), Taylor Padfield 5th (Under 15), Ashley Closs 13th (Under 15), Holly Mulder 14th (Under 15), Zoe Welsh 20th (Under 15) Jake De Zwart 18th (Under 15) and Eliza Malerbra 12th (Under 16). Congratulations to Aaron Closs who finished 1st in the Under 15 race.

Martin Yates
Sports Leader

Year 11/12 Mixed Lunch Time competition
Well done to all players who contributed to our lunch time competition. It was fantastic to watch our seniors play hard in such a supportive, enthusiastic atmosphere. All games were played in good spirit, but there has to be a winner and Team 4 just ran away with it in the final round. I would also like to thank our fantastic umpires; Emily Brincat and Nicole Stafford who used their lunch times to help. Thanks girls!

We look forward to gaining lots of teams for our mixed volleyball competition starting next term. Come on year 11’s and 12’s get involved! Be active at lunch!

Excursion in Physical Education
There are numerous small incursions and excursions happening towards the end of this term and into the next one. Please ensure your child, if in the relevant year group, has returned their payment and permission form (if required).

Year 7 & 8 Rugby        Year 9 & 10 Wheeltalk Program
Year 8 Gymnastics       Year 9 & 10 Extended Gymnastics (optional)

Coles vouchers for sport
It has come to that time of year again where we can begin to create a wish list for additional sporting equipment. This is such a valuable area where we can make good savings. Start collecting from June 13, earn one voucher for every dollar spent in a Coles, Coles online or Bi Lo store. Collect as many as you can, the more vouchers received the more sports equipment for the school.

Clare Rayner
PE/Health Leader

Great Victorian Bike Ride
A reminder that our first training ride will be this Saturday starting at Beasley's Nursery at 8.45am. Please see me for a permission form if you have not already received it.

Ante Sunjo
PE Teacher

METEC Driving Excursion
Friday June 1, was the day that 54 of our Year 10 students were ‘hanging out for’; the day they got to experience driving a manual car even though most had not turned 16 or gone for their learner’s permit.
Filled with nervous energy, students were unusually quiet on the bus trip to Kilsyth. On arrival there were some quick trips to the toilet to settle nerves. Then it was down to business, driving on the Metropolitan Traffic Education Centre’s own eight hectare ‘off road’ complex, in dual controlled manual cars, with licensed and experienced instructors. The day covered both theoretical and practical content, including such things as road safety, transmission of power, use of pedals, clutch, observation, hazards, car control, laws, gear changing, steering, three point turns, hand brake starts and reversing. Ms Gazeas, Ms Crees, Ms Mann and Mr Di Stefano summoned up enough courage to go driving with some students and emerged quite pale after their experiences.

Definitely a good time was had by all as evidenced by some of the student’s comments:

*Enjoyed it. More fun than I expected*

*Madness.*

*I hate the clutch.*

*Great experience. Awesome – Thankyou. Reassuringly fun!* 

*Not one stall!* 

*Prime!*

*Automatic all the way!* 

*It was a lot of fun. I learnt a lot.* 

*I wasn’t allowed to drift.*

Memorable Instructions from the instructors included:

‘Clutch, Clutch, Clutch – Power down, Power Down!’

‘Brake, Brake, Brake – Brake Harder!’

‘Never fear – Steve is here.’

‘Keep the car on the road’. 

‘Turn left…..No, your other left.’

---

Christena Gazeas  
*Humanities Leader*

**Taking the Challenge**

We cannot believe Term 2 is nearly over and our My City experience is coming to an end. I think the Year 9 students would agree when we say that we have had a fabulous time and learnt so much during our weekly excursions into the city.

Students have undertaken a variety of challenges in the city each Wednesday. The experience began with an orientation treasure hunt designed to help students get to know their way around the CBD. Fortunately no one got really lost… only a little bit misplaced… and we were always in phone contact to send them in the right direction. They have been on a tour of Etihad Stadium, spent a day at the Old Melbourne Gaol, stayed overnight in South Yarra, viewed the city from The Eureka
Tower at night and visited many arcades, alley ways and quirky little shops they never knew existed.

Students have had an individual and group project to complete as part of their Taking the Challenge assessment. In groups they have to research an aspect of the city of their choice. Groups have selected aspects such as sport, entertainment, fashion, architecture and food. They have had to plan two research sessions and visit relevant venues and collect information for their project.

The culmination of their research is the ‘My City Expo’ to which all parents are invited to attend. Ask your child for your invitation which was handed out on Tuesday June 12.

From The Taking the Challenge Team
D. Kahukiwa, K. McCrory, C. Davies, J. Steel

WHAT YOU CAN EXPECT TO SEE:

☐ An overview of the program presented to you by the students
☐ An expo set up by your child and their My City team
☐ A physical presentation (e.g. a poster, a diorama etc.), an information brochure and an ICT presentation about their focus area

Year 9 Italian Extension Class
Two Great Days
I was very proud this year to accompany five students from my Year 9 Italian extension class to the annual Italian Poetry Competition. The five participants were also very proud to be there. Hopefully this will be one of the many extra curricular activities students studying Italian at Warrandyte High School will be involved in, in the future. It was a challenging and yet very rewarding experience for all of them. A fantastic effort.

At the beginning of this month the Year 9 Italian extension class also went to the National Gallery of Victoria for a full immersion in Italian Art through a guided tour of the modern and antique collection of Italian Masterpieces called “Italy Tour”. The students really enjoyed the experience and I was pleased to see how many of them made insightful and valuable contributions to the discussion that followed the tour.

The tour guide congratulated me on the students’ behavior which was impeccable and on their involvement and interpretive ability.

Antonella Bitta
Italian Teacher
Day at the Italian Poetry Competition
The competition was held at Melbourne University, in the Olda Arts Building. I was astounded, together with the other participants, at the number of students (Italian and non Italian) who entered the competition. It was really exciting. Our school was one of the few public schools that participated and imagine ….. it was the first time our school had entered the competition itself! So you can understand how nervous and yet proud we were to be there.

I recited “Schiavi della Moda” and the judge was really nice. The day was a fun experience and I am looking forward to seeing the results.

Cassandra Roberts
Year 9 Student

Day at the National Gallery of Victoria (Arts Centre)
The Year 9 Extension Italian class went to the Melbourne Arts Gallery to experience pieces that were part of the modern and antique Italian art Collection which date back to the Renaissance period when women plucked the hair from the tops of their head as a sign of beauty and intelligence. One particular picture dating back to the 15th century caught everybody’s attention: Cleopatra was depicted having an intellectual competition with her lover, Mark Antony, centered around the most expensive feast. It was a great day.

Morgan Storey
Year 9 Student

VCE exams
Over the next couple of weeks the senior students will be furiously studying for their mid-year exams. Year 12 exams began on Tuesday 12 June and will continue until Thursday 14 June with the GAT for all students who are completing a Unit 3 and 4 subject. Year 11 exams will be running from Tuesday 12 June until Thursday 21 June. The annual Kakadu trip is departing on Friday 22 June.

Senior School Leader

Student Wellbeing News
Year 8 DnA Leadership Program Term 3
Each year we offer a Leadership Program to all Year 8 students who might want to step into the wonderful world of peer education. The students who volunteer train once a week with myself on issues of Drug and Alcohol education. The aim of the DnA program is to extend the communication skills, build relationships between students and to educate the students about important and pertinent information about DnA issues. Each year it is one of the highlights in the Year 8 program and it culminates in a one day DnA conference that includes a very popular Reach Foundation workshop. It is a great conference and valuable leadership opportunity. If you would like to know more or how your son or daughter might become involved, give me a call.

Girlosophy Leaders
Our lovely Year 8, 9 &10 female student leaders in the Girlosophy program get to practise their newly acquired leadership skills with the Year 6 students at Warranwood Primary School this Thursday. They will be running their workshops on relationship building and boosting your self-esteem.
The ‘Open Mic’ Sessions
I am pleased to announce a new program for Warrandyte High School in Term 3. The Open Mic sessions will run on 5 Tuesday’s at lunchtime in Term 3. The aim is to provide an opportunity for the multitude of very talented students within the school to perform to an audience. It promises to be a celebration of our performing and creative arts. Student can sign-up for one of five Open Mic sessions on the library signup sheet. All types of performances are welcome: dance, poetry reading, story-telling, mime, musical or dramatic art. Each session will be facilitated by one of our many talented staff, who may themselves perform. What better way to spend a chilly winter’s lunchtime than to watch or perform with your fellow students.

Year 10 Talk It Up Program 2012 3 August
This year’s Talk It Up With Year 10 conference promises to be bigger and better than ever with many agencies already booked to perform and present including: the dynamic and inspiring Katumbah Productions Hip-Hop group, Brainstorm Production Drama Company in addition to Kate Wilde, Youth-Worker and Youth Substance Abuse Services YSAS community group. The cost of the program is $15 and is subsidised by the wellbeing budget. Please note the date in the diary 3 August.

Wellbeing Leader

PARENTS ASSOCIATION

Is there a doctor in the house?
There were many white coated doctors, lovely nurses, colour coordinated surgeons, bow tied professors, an entire maternity ward, spotted patients, bandaged limbs, broken bones and wheelchairs at our annual trivia night.

From throwing paper aeroplanes, to rolling coin tosses, bidding on silent auctions items to standing in the winning corner we laughed our way to raising money to purchase medical equipment for our school.

The air guitar performance and the dance of the Zorba were great highlights of the evening but the bonus points were not enough to knock the reigning champions out of the winner’s circle. Huge congratulations to the Science table for another wonderful win.

A staggering $5,657.50 was raised last Saturday night and the Parents Association would like to sincerely thank everyone who
supported this event. A very special thank you to our major sponsor of the evening, MOAT: Mental Health Services.

MOAT: Mental Health Services is proud to have sponsored the WHS Trivia Night and assist in securing funding for the school’s de-fib machine.

MOAT: Mental Health Services provides a range of mental health services, including interactive, entertaining mental health training; professional debriefing; and in-house counselling, counselling in child and adolescent mental health problems.

If you would like mental health training in your school, workplace, or community group; or if you want more information about in-house counselling for your family – contact Bryan Jeffrey on 0425 753 937, or bryan@moat.com.au.

The Parents Association would really appreciate your feedback on any part of the fundraising festivities. Please feel free to email alicia@thedeckking.com.au at any time.

We are pleased to announce that we'll be selling the new 2012 | 2013 Greater Melbourne Entertainment™ Books as a fund-raiser for Warrandyte High School

Entertainment™ Books are packed with hundreds of up to 50% off and 2-for-1 offers for the best restaurants, cafes, hotel accommodation, attractions and activities.

The new Book is only $65, and you'll receive $15,000 worth of valuable offers until 1st June 2013. So you can choose what you want to do and when you want to do it.

Plus, the good news is that $13 of your Book purchase goes towards our fund-raising

ORDER YOUR NEW BOOK ONLINE NOW
Developing the performance and theatrical skills of Warrandyte High School students through professional teaching and mentorship.

The smash hit DISCO INFERNO is a jukebox musical featuring the biggest hits of the 1970's including Hot Stuff, I Will Survive, Celebration and Leader of the Gang to name a few!

Based on the Faust tale of making a deal with the Devil, young Jack dreams of a life beyond being a bartender - a life where he has it all: fame, money and glory. In exchange for his soul, Jack makes a pact with the Devil and his right-hand woman, Lady Marmalade to become the superstar he dreams to be.

But soon Jack realises that everything is not always so simple.

"Lay down the boogie and play that funky music' til you die!"

We are very lucky to have Drew Downing back to direct this year's production. Drew directed last year’s wonderful production of Seussical and is looking forward to doing it all again this year. Drew brings with him a production team as listed below, but we will require lots of helpers. Parents are great at helping the students in the change rooms with costumes and makeup, keeping everything under control in the Green Room, back stage quick costume changes when required and feeding the cast on a roster system when rehearsals and performances go over dinner time. This is a wonderful event to be involved in and I feel very fortunate to be a part of what I refer to as the production family.

Each cast member is required to contribute to the cost of running our production. $80 covers the cost of a cast t-shirt, breakfast on Sunday 19 August, a CD of photos, supper on the last night and the money also goes towards meeting some of the costs of running the show like the production rights.
The Department of Broadband, Communications and the Digital Economy has launched a new **Cybersafety button** to help Australians stay safe online.

The Cybersafety Help Button is a new Australian Government initiative designed to keep children and families safe online. It is an online resource that gives children and young people easy access to cybersafety help and information.

The Cybersafety Help Button is an online resource hub that gives children and teenagers instant access to help and information on cybersafety issues 24 hours a day, seven days a week.

The button is a free application available from the website of the Department of Broadband, Communications and the Digital Economy. Once downloaded, it sits on the computer desktop or within the taskbar. When the button is clicked, users are taken directly to a web page where they can talk, report or learn about cybersafety issues.

The **talk function** gives a link to Kids Helpline. Users who are worried by cyberbullying or offensive online behaviour or content can phone or chat online to a professional counsellor.

The **report function** offers direct links to pages on social networking sites such as Facebook, MySpace and Twitter that have site-specific cybersafety information. There are also links for reporting scams, fraud, inappropriate websites and improper behaviour and for contacting the Australian Federal Police.

The **learn function** provides a range of cybersafety educational resources through the Australian Communication and Media Authority's (ACMA) Cybersmart website and the Department’s Stay Smart Online website. Visitors to these sites can learn about cyberbullying, social networking sites, scams and frauds, password protection, viruses and malware, unwanted contact and inappropriate behaviour.

The Cybersafety Help Button was developed in consultation with the Government’s Youth Advisory Group and the Consultative Working Group on Cybersafety. The Youth Advisory Group—consisting of members aged 8 to 17 years—expressed the need for a ‘one-stop shop’ for cybersafety help and information.

The Cybersafety Help Button is compatible with all major Windows and Mac OSX operating systems and is easily installed onto home, school and library computers. To download click on the following link:

For more information on the Cybersafety Help Button: email helpbutton@dbcde.gov.au

This is a very helpful application and it’s easy to download.

Regards Natalie Manser
June 2012

Dear Parent/Guardian

Re: A Wonderful Camp Opportunity for Girls in Year 7, 8 & 9 ‘UR Retreat’ for Young Women.

Bridge Builders is a not-for-profit youth organisation located in Lilydale, which focuses intentionally on building assets (skills) into young people and their community. At Bridge Builders we utilise events and enterprises as tools to build assets into the lives of young people. These events and enterprises are a great way of engaging young people and providing many and varied opportunities for empowerment and skill development.

The ‘UR Retreat’ is for 50 young women between the ages of 12 to 15 years to experience those opportunities. The ‘UR Retreat’ is a jam-packed four day camp that aims to challenge, empower, motivate and inspire through educational and fun workshops, guest speakers and other exciting activities. A unique aspect of the ‘UR Retreat’ is that the local community and local businesses sponsor the majority of the cost for the young women to attend the camp to ensure they don’t miss out.

The following information below is a basic outline about this year’s camp.

‘UR Retreat’ Details:

**Dates:** Monday 2\(^{nd}\) July to Thursday 5\(^{th}\) July 2012 – first week of the school holidays.

**Where:** Alpine Ash Mountain Retreat, Toolangi, Victoria.

**Cost:** $88.00 includes GST.

**What:** The retreat will consist of workshops, activities and guest speakers. This may include:

- Arts and Craft.
- Positive Body Image.
- Self Expression.
- Movie Night.
- Positive Thinking.
- Hair and Make Up.
- Self Esteem.
- Goal Setting.

Due to places being limited you need to act quickly. Please contact Ms Manser at Warrandyte High School if you are interested in attending this camp so an application form can be completed.

On behalf of the Bridge Builders Retreat Team, we look forward to ‘starting the journey’ with you and your daughter. If you would like any more information, please contact myself on (03) 9038 8818 or 0421 177 570 or by email nat@bridgebuilders.com.au.

Yours Faithfully,

Nat Haraida
Girls Enterprise Manager
Bridge Builders Youth Organisation.
Ph: (03) 9038 8818.
Mob: 0421 177 570
Email: nat@bridgebuilders.com.au.
